

MONDAY OCTOBER 16, 2017

Add the following to your table of contents:

Bell Work Q1W8 (1 pg)

Covalent Bonds Practice (1 pg)

1. What is the difference between an ionic bond & a covalent bond?
2. Would CH_4 be an ionic bond or a covalent bond?
How do you know?
3. What would the formula and name be for compound created through an ionic bond between Sodium (Na) & Oxygen (O)?
